2015–16 Gift Levels and Advantages

Preferred ($5,000)

Gifts support the general Accelerator scholarship fund.

- Participation on the Accelerator Council, an exclusive corporate leadership council
- Invitation to exclusive fall career fair reception with high-achieving students
- Special designation at SoIC career fairs
- Recognition in the School's marketing and visual displays including career fair publications and hiring statistics handout
- Early invitation to participate in classroom employer panels
- Personal contact with select faculty members
- Insider analysis of student populations
- Contact with scholarship recipients

Premier ($10,000)

Gifts support company-named scholarships.

All of the advantages of Preferred, plus:

- Opportunity to define guidelines for scholarship distribution
- One targeted recruiting email per semester to students sent on behalf of company through SoIC Career Services (copy provided by company)
- Invitation to host a private lunch or dinner with a group of select students
- Personal contact with associate dean for undergraduate or graduate studies

Elite ($25,000+)

Gifts support a variety of lasting engagement opportunities.

Development staff will work strategically with your company to ensure your gift enriches your business goals. Elite donors receive all of the aforementioned advantages. High-impact gifts (one-time or multi-year pledges) can:

- Name spaces
- Name and endow scholarships
- Fund research
- Name and endow faculty positions

For more information on strategically investing with the Accelerator Program, visit soic.indiana.edu/accelerator or contact Gina Gallagher (812-856-1847, ggallagh@indiana.edu).

*The School of Informatics and Computing's Accelerator Corporate Giving Program is a **relationship-enhancing investment opportunity** that accelerates a company's ability to address their **specific, strategic needs**. Scholarship dollars generated from Accelerator help to recruit, retain, and support future tech industry leaders.*

Participating companies receive enhanced:
